PAINESVILLE, OHIO

LOCATION

mile east of L. S. & M. S. Railway Depot

THE production of Ornaments is our business. The demand for our stock has always exceeded the supply. We believe this speaks well for us, in view of the fact that we have never been compelled to advertise to find a market. Our plantings are enlarged each year, and our trade increases in proportion solely through the recommendations of our old customers. Were you to inspect our nurseries, you would not hesitate to place an order.
